PROFESSIONAL SUMMARY

A result-oriented EEE graduate with hands-on experience in captive power plant energy audits and project management. Skilled in data analysis, technical reporting and cross-functional collaboration. I hold an ABC Electrical Supervisor License issued by the Electricity Licensing Board (ELB), Bangladesh. I thrive in dynamic environments and am committed to engineering excellence and sustainable solutions.

CORE COMPETENCIES & TECHNICAL SKILLS

- **Engineering & Technical:** Energy Auditing & Data Analysis, Substation & Solar System Supervision, Technical Report Writing (BERC), Lightning Protection System (LPS), Troubleshooting and Maintenance.
- **Software & Tools:** AutoCAD (Electrical), MATLAB, Proteus, Microsoft Office (Word, Excel and PowerPoint), Canva and Adobe Photoshop.
- **Soft Skills & Management:** Project Coordination, Client Communication & Business Development, Team Collaboration, Problem Solving and Time Management

PROFESSIONAL EXPERIENCE

Project Coordinator | Fast Engineering Solutions Limited, Gulshan-1, Dhaka *(Jun 2024 – Present)*

- Leading and supervising over 25 industrial engineering projects.
- Collecting and analyzing energy data from Captive Power Plant sites and preparing over 20 Energy Audit reports for Bangladesh Energy Regulatory Commission (BERC) licensing.
- Supervising Lightning Protection Systems (LPS), substation installations and solar installation projects, ensuring safety and compliance standards.
- Managing active client communications to support business development and project delivery.

Office Coordinator | Dishari Foundation, Khilkhet, Dhaka *(Jan 2022 – Jun 2024)*

- Managed daily administrative operations, official correspondence, meeting schedules and internal communication workflows.
- Assisted in department budget planning, financial reporting and systematic document management.
- Provided data entry, clerical assistance and front-desk coordination to optimize organizational workflow.

Assistant Teacher - Mathematics (Part-Time) | Dishari School, Khilkhet, Dhaka *(Jan 2023 – Dec 2023)*

- Taught fundamental mathematics concepts and assisted in curriculum preparation and student assessments.
- Utilized visual aids and practical examples to simplify complex mathematical topics.

EDUCATION

Bachelor of Science in Electrical and Electronic Engineering (EEE)

Green University of Bangladesh (GUB) | CGPA: 3.70 / 4.00 (2018 – 2022)

Diploma in Electrical Engineering

Computer Science & Business Studies Institute, Bogura (BTEB) | CGPA: 3.12 / 4.00 (2013 – 2017)

Secondary School Certificate (SSC) - Science

Tilakpur High School, Joypurhat (Rajshahi Board) | GPA: 4.56 / 5.00 (2013)

ACADEMIC THESIS

Undergraduate Thesis: Feasibility Analysis of Floating Solar Power Plant at Hatirjheel, Dhaka

- Conducted a detailed technical and economic feasibility analysis on implementing a floating solar PV system on Hatirjheel Lake to promote urban renewable power generation.

CERTIFICATIONS & PROFESSIONAL TRAINING

ABC Electrical Supervisor Licence – Electricity Licensing Board (ELB), Bangladesh (Office of the Chief Electric Inspector) (Jan 2026 – Jan 2027)

- Authorized to supervise High, Medium and Low Voltage electrical installations across industrial, commercial and residential sectors under Electricity Licensing Board Rules 2022.

Industrial Attachment Training – SwitchCon Engineering, Bogra (Aug 2017 – Oct 2017)

- Gained practical experience in Low and Medium Voltage industrial switchgear, protective relaying, panel wiring and safety standards.

Industrial Attachment Training – Development Design Consultants Ltd., Bogra (Aug 2017 – Oct 2017)

- Completed practical training on electrical system planning, commercial installation layout and engineering consultancy workflow.

Database Programming (360 Hours) – Cybertech Computer Education (BTEB) (Jul 2017 – Dec 2017)

- Achieved A+ grade in National Skill Standard Basic Course covering MS Office and office database management.

HONORS & ACHIEVEMENTS

- Vice Chancellor's Award – Green University of Bangladesh (Summer 2021)
- Dean's Award – Green University of Bangladesh (Spring 2021)
- Certificate of Participation – Inter-Department Quiz Competition (Fall 2020), Green University of Bangladesh
